Gluten Free Products at The Market on Yates

The Market offers this list as a guide only, and as such, assumes no responsibility for the purchase and consumption of food that may not conform to your dietary requirements. The onus is on the individual consumer to determine if a product is suitable for them. At time of printing of this guide, labels clearly indicate that the products listed are gluten free. Ingredients can change without notice and new products are frequently introduced. The Market endeavors to keep this guide, as well as product identification as up to date as possible, however items may be out of stock or discontinued. Please note that if we do not have a product listed that you desire, we are more than happy to take requests and seek out those items. We welcome any observations and questions you may have. www.themarketstores.com yates@themarketstores.com

Please Note: Signage throughout the store indicates "Gluten Free" for ease of location only. Please check the ingredients list on each item. Ingredients are subject to change without notice. Signs indicating a product is "Wheat Free" should never be confused to mean that they are "Gluten Free".
